ELEMENTS TABLE

Complete first four columns for each element found. Only complete remaining columns (shaded grey) if the element is used in a product. If more than one element is from same source, you only need to give details of the source once and then cross-reference.

Element (filename & extension)	Where found	P or S*	Permission required?	Details of permission if used	Description of element	Produced by	Details of editing	Where used
	I made it	P	No		My logo	Me	None	Products page Medal Running vest Gift bag Digital poster
